## Work experience

**Front End Developer** Mar 2023 - Jun 2023  
*Sharp Group, Pristine*

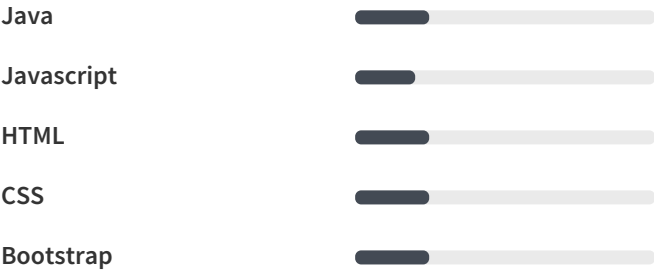

During my internship, I diligently attended to the responsibilities delegated to me, closely paying attention to the details and requirements of the clients. I also made concerted efforts to communicate effectively and collaborate seamlessly with the rest of the team, striving for the highest levels of coordination and cooperation.

## Education and Qualifications

**Natural Sciences** Sep 2019 - May 2022  
*"Luigj Gurakuqi" High School, Kline*

**Bachelor** Oct 2022 - Present  
*UBT, Pristine*

## Skills

## Courses

**Front End Developer** Mar 2023 - Jun 2023  
*ROI Academy*

Here I learned the basics of HTML,CSS and Bootstrap

## Projects:

- Created a personal responsive portfolio using HTML, CSS, and JavaScript.
- Built a calculator, guess the number game, and tic-tac-toe game with HTML, CSS, and JavaScript. These projects were showcased in university to highlight my programming and problem-solving skills.
- Developed a project inspired by a famous website for a university semester task.
